Pro Shop / course (Steve):

- Coupons on the website. There will be coupons for Jr's every month. Other promotions include a new grip promotion, lesson promotion, play with mom, etc.
- Pro-shop is running a stableford tourney on Friday the 12th. Doug mentioned that they might be having more Friday mini tournaments throughout the year.
- Bellevue home and home on May 6th & 7th.
- Steve discussed that they will be cutting the grass down around some of the greens to allow people to more easily putt as an option.
- With all the rain, it will be difficult to get the carts of the path. One potential option is just to stay on paths or fairways and stay out of rough. When this change happens will help pace of play drastically.
- Mike talked about a PGA meeting he went to where they discussed the "folds of honor" This is a charity function that has taken hold in the golf industry. More information to be reviewed here but we could set this in place this year in one of our larger tournaments.
- Doug will be sending some random text deals on tee times occasionally to help fill slow times.

Tournaments (Craig)

- We used the time clock at spring field day. If we would have had penalties, 17 groups would have received them. Craig to send a blast explaining the results from this to hopefully help with people's pace of play. Not sure yet when we will start penalizing groups.
- Had 157 players in spring field day.
- Coming up we have Match play starting on 5/13, and 2-man scramble on 5/20
- Craig is now using Golf Genius. We will start using this in June.

Handicap (James):

- James is working with WSGA on proving a rating for “blue short”. This is for the fall and spring when the grounds crew is setting up the course short.

Rules (Will):

- Next rules quiz #2 to come out today.

Old Business:

- Brian still to finalize Jr golf payouts with Mike
- Need to find a new printer for newsletters. Brian checking with Mel Brenden
- Play in forward in Men’s club tournaments was discussed. This had been happening in the winter series events already. The board approved this to be put in place this year. It was too late for the spring field day, but will be included as an option for future tournaments. Also, was discussed the option for playing it forward for weekly comp. This was approved although Craig to figure out the logistics of this with knowing what tees people play from on the weekly card. Craig to send blast with more info.

New Business:

- Reviewing option for tourney paying on line.
- Bryon requested we spend some money for Facebook advertising. Board approved Bryon to spend up to \$50 for this.
