Tournaments (Brian for Craig)

- 3 penalized for slow play at Sr Championship
- 120 players played in Sr Championship
- Pres cup has started.
- 2-Man 2-day tourney coming up next week. After discussion, it was decided to change format to best ball (strokes where they fall) on Saturday, and combined aggregate of both net scores for Sunday. James to help with special event sheet printing. Dennis to handle finances for the special event. Brian to host special event. All board members to be ready to help on busy weekend tourney.
- Much discussions were had about payouts. Was agreed to figure all payouts based on net scores, then if Gross is wanted to pick the actual low gross player, but keep his payouts based on net. This was how it was done for Sr Championship as Dennis noted he was low gross in 2nd division but made 5th place net money. One off shoot to this is first division only were there was discussion to have low gross make the same as low net regardless of net score. This was still undecided. Craig still to decide on first division gross payouts.

Handicap (James):

- No new business

Rules (Will):

- Question was asked about slope on range finders. Still not allowed in tournaments, but for daily play/weekly comp is OK.

Old Business:

- Wane, Will, and Dan are reviewing the current bi-laws for modifications needed. Once these are completed the board will vote on the changes.
- New banner will be put up on the property fence. Brian stated it is coming from Staples.

New Business:

- Brian/Craig to get blast out to members on dues renewal and pace of play as there still seems to be some confusion here.
