

Maplewood “Bunker Rule”

When playing "Preferred Lies" / "Winter Rules", players have the option of using this Maplewood Local Rule.

When a ball comes to rest in a bunker, the player may mark the ball, lift the ball, and clean the ball. The area for the player's ball and stance may be raked.

Place the ball as close as possible to the original position. No closer to the hole.

Once the ball has been placed, the ball is in play.

Please rake the bunker after you play.
